Profile

Objective-driven web developer with a strong background in coding and programming. Highly skilled in HTML, CSS, JavaScript, and PHP, with a keen eye for detail and a passion for creating visually appealing and user-friendly websites. Seeking an opportunity to utilize my expertise and contribute to the success of a dynamic and innovative company.

Work Experience

Développeur web

- Developed and implemented responsive and user-friendly websites using HTML, CSS, and JavaScript, resulting in an enhanced user experience and increased website traffic.
- Collaborated with cross-functional teams to create and integrate web applications, ensuring seamless functionality and efficient communication between various departments.
- Conducted thorough testing and debugging of web applications to ensure optimal performance and identify and resolve any issues or bugs.
- Managed website maintenance, including regular updates and security patches, to ensure website stability and protect against potential cyber threats.
